The Council for Tobacco Research - U.S.A. Inc.
Dr. Harmon C. McAllister
900 Third Ave.
New York, NY 10022

Dear Dr. McAllister:

The FASEB Summer Conference on Protein Kinases has just ended. From my point of view as Chairperson of the conference it was a huge success from every standpoint. We are extremely grateful for your generous contribution in support of the conference. We are dependent on such generosity to carry on with high-quality basic science that is necessary for the future health of the human species. Thanks again.

Sincerely,

Jackie D. Corbin, Ph.D.
Professor of Molecular Physiology
and Biophysics
